

CURRICULAM VITAE – A GLANCE

Prof. Shen-Ming Chen

Distinguished Professor
Department of Chemical Engineering and Biotechnology
National Taipei University of Technology
No. 1, section 3, Chung-Hsiao East Road
Taipei, 106 Taiwan
e-mail: smchen78@ms15.hinet.net

Education and Career:

Shen-Ming Chen was born in Chunghua, Taiwan, in 1957. He received PhD degrees in from National Taiwan University, Taipei, Taiwan. He was a visiting postdoctoral fellow of Friedrich-Alexander University Erlangen-Nuremberg, Germany in 1997. He had been an associate professor of Department of Chemical Engineering, National Taipei Institute of Technology, Taipei, Taiwan from 1991 to 1997. Since August 1997, he has been a professor of Department of Chemical Engineering and Biotechnology, National Taipei University of Technology, Taipei, Taiwan. From 2010, he has been a Distinguished professor of Department of Chemical Engineering and Biotechnology, National Taipei University of Technology, Taipei, Taiwan. He has been the Dean(Curator) of library, National Taipei University of Technology, Taiwan from 2000 to 2006 and the Director of Extracurricular Activity, office of student affairs, National Taipei University of Technology, Taiwan from 1995 to 2000. He also service in academic organizations as President of Association of Chemical Sensors in Taiwan(2012 jun – 2014 july) and Vice President of Association of Chemical Sensors in Taiwan(2010 july – 2012 jun).

His research interest includes **nanocomposites, electrochemical sensor, Nanomaterials, biosensor, photoelectrochemistry**, Bionanotechnology, and bioelectrochemistry, He has published above 350 research papers in internationally peer reviewed journals.

Memberships/Affiliations:

International society of Electrochemistry
Electrochemical society
Chemical society located in Taipei
American Chemical Society
Association of Chemical Sensors in Taiwan
Chemical Engineering society located in Taipei
